

Friends of Harmon AutoGlass Referral Program

It's Your Choice!

In the event of an accident, your windshield could save your life and the lives of those most important to you. A properly installed windshield holds your deploying airbag safely in position and keeps your roof from collapsing in a rollover.

Nobody does more to make sure your windshield is safely installed than we do.

Original Equipment (OE) Quality Glass - Quality crafted and certified to the original manufacturer specifications and safety standards.

Original Equipment Approved Adhesives - Windshields are permanently bonded with our (OE) grade adhesive that meets all safety and factory installation standards.

Exclusive SmarTech™ Installation System features:

- National Glass Association (NGA) and SmarTech certified installation specialists
- State of the art tools and methods
- Adherence to car manufacturers' standards and requirements

- Call for service 24 hours/day - 7 days a week
- Over 400 retail locations serving you coast to coast
- Mobile fleet brings windshield repair or replacement to you
- Over 50 years of experience
- Ask about our National Lifetime Warranty
